

I am delighted to have been selected by the Branch Committee to be our candidate for the new Waveney Valley Division at the May 2025 NCC elections. In my 20+ years living in Aldeby I have committed myself professionally and in volunteer work to support our local community. I have a track record of achieving progress by gentle but persistent persuasion. Talking is not enough; an outcome is required.

As a doctor, I was very pleased to be involved in keeping our Community Hospitals open and developed. I set up the stroke unit at James Paget Hospital. I persuaded the Clinical Commissioning Group that Waveney should be kept within the Norfolk Healthcare system and not go to Ipswich.

I have worked with Aldeby Parish Council on the planning for the Solar Farm on the redundant waste site and improving its siting and access to avoid disruption to the community. We spent 8 years persuading Norfolk County Council to agree to taking forward a 30 mph speed limit through Aldeby. However, I am frustrated that it now seems bogged down within Norfolk County Council with no one driving it forward. If elected I would hope to get action not discussion.
